TURN-BASED RPG COMBAT

2D turn-based RPG strategy game that will be the first to offer in-game minting and character leasing. This project aims to create a sustainable in-game currency that will eventually be used as a medium to purchase tangible goods.

GAME FEATURES

STORY

Discover how and why Engkanto began to invade the Earth. Gain experience by killing Engkanto minions.

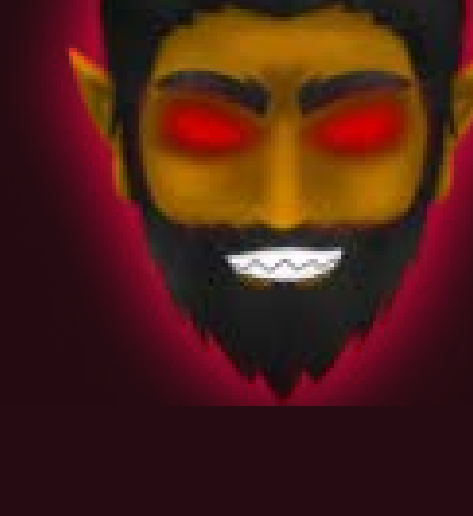

ARENA

Is one of the best features of Engkanto Fantasy. Every player can join the arena and compete with other players. The winner will be rewarded with \$DYT Token.

ENGKANTO INVASION

Kill the story boss and receive NFT items to help you get ahead of other players.

BOSS RAID

In this mode, the player can acquire rare NFT items and tokens by killing the event boss. To join the raid, each player will require a character and a dungeon pass.
